Local Girl Scouts volunteer to pick up trash at KELT's popular Thome Head preserve.

An audit was conducted by Purdy Powers & Company of Portland, ME.

Digging for clams at KELT's annual clamming day at Reid State Park.

Learning about winter tree identification at Morse Pond Preserve.

161

public outreach & educational programs for nature lovers of all ages

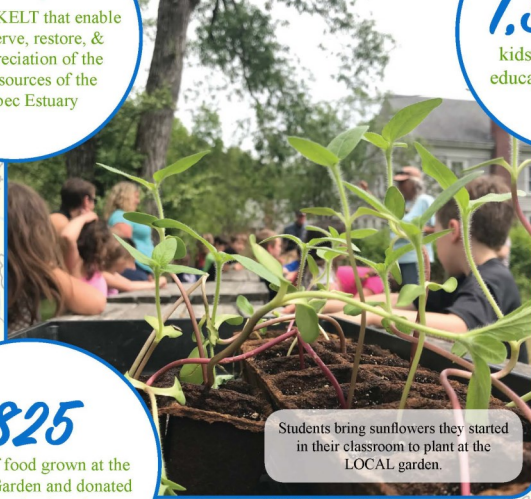

Listening to calls while searching for owls in Thorne Head Preserve.

754

members of KELT that enable us to conserve, restore, & instill appreciation of the natural resources of the Kennebec Estuary

1,300+

kids participated in educational programs

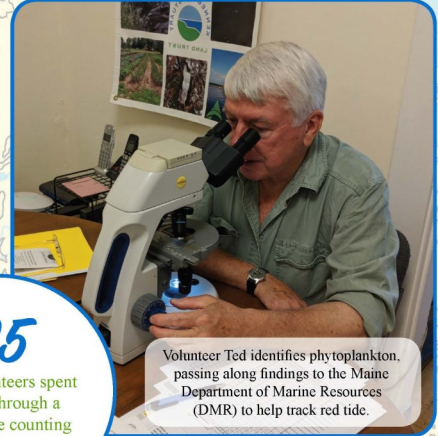

Students bring sunflowers they started in their classroom to plant at the LOCAL garden.

825

pounds of food grown at the LOCAL Garden and donated to organizations in our community

65

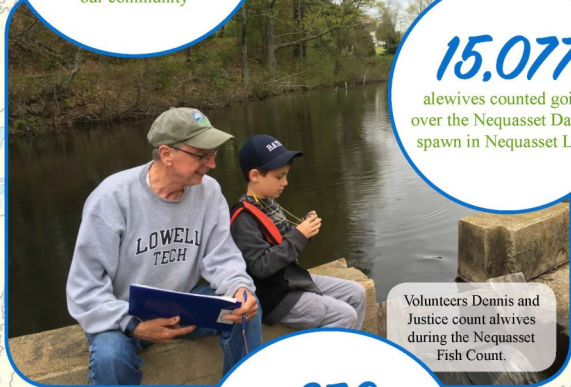

hours volunteers spent looking through a microscope counting phytoplankton cells

Volunteer Ted identifies phytoplankton, passing along findings to the Maine Department of Marine Resources (DMR) to help track red tide.

15,077

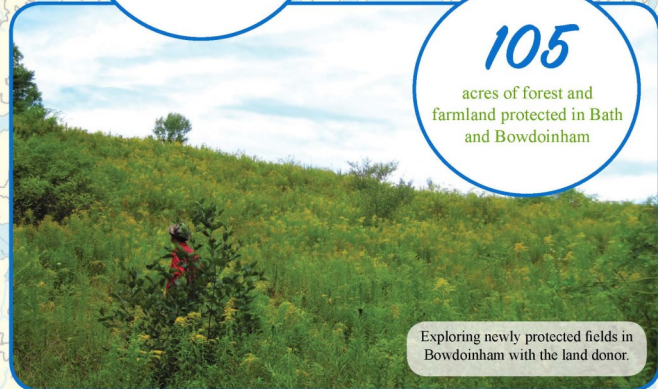

alewives counted going over the Nequasset Dam to spawn in Nequasset Lake

Volunteers Dennis and Justice count alewives during the Nequasset Fish Count.

105

acres of forest and farmland protected in Bath and Bowdoinham

Exploring newly protected fields in Bowdoinham with the land donor.

873

volunteers helped on the trails, in the office, at the fish ladder, collecting water samples, installing owl boxes & more! Thank you!

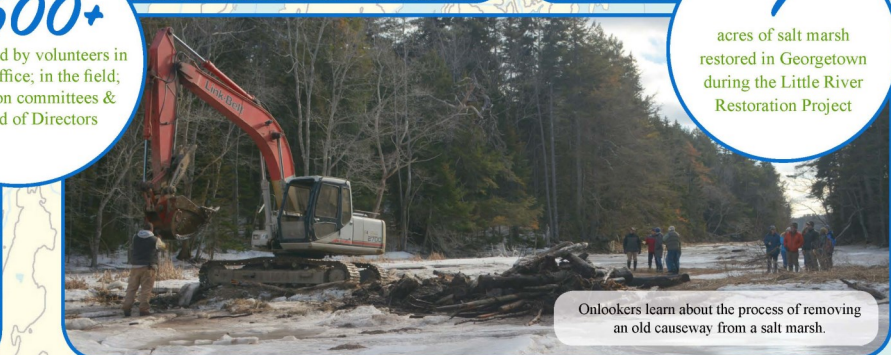

Volunteer Bill, helps the Regional Field Team install owl boxes in West Bath.

Our wonderful Regional Field Team Members: (R to L) Xander, Jaron, Rhyon and Cheri (KELT's Stewardship Coordinator).

3,500+

hours donated by volunteers in the KELT office; in the field; & serving on committees & the Board of Directors

Onlookers learn about the process of removing an old causeway from a salt marsh.

7

acres of salt marsh restored in Georgetown during the Little River Restoration Project

Bob Lundstrom (the land donor) was adamant that the causeway be removed from Little River to return the marsh to a healthier state.
